WHAT IS THE ACE PROGRAM AND WHAT ARE ACE CLASSES?

The ACE Program (Afterschool Classroom Enrichment) is a program sponsored by IPSF (Irvine Public Schools Foundation) in cooperation with the Irvine Unified School District. These classes are offered right after school hours in Canyon View classrooms for nominal fees. IPSF selects contractors who teach all types of classes ranging from sports to academics to arts.

WHERE TO GO AFTER SCHOOL AND PICK UP INSTRUCTIONS

- Please instruct your students that once regular school dismisses to report directly to the LUNCH TABLES where monitors will direct students to their respective classes. CDC students should report directly to the LUNCH TABLES as well, DO NOT check in at CDC prior to ACE Class.
- After ACE class, students are to be promptly picked up from the front of the school. Students will not be permitted to leave on their own unless the student's profile at www.IPSFacademy.org indicates student's "Transportation" as responsible for themselves. CDC students will be escorted to the center.

Questions? Contact volunteer CV ACE Coordinator, Michelle Chen at CanyonViewACE@hotmail.com

CLASS DESCRIPTION

TUESDAYS: January 24, 31, February 7, 14, 21, 28, March 7 & 14

JAZZ AND/OR HIP HOP DANCE COMBO

\$128

Come have some fun with us and learn dance steps that incorporate Jazz and Hip Hop. Age appropriate music and moves give our students a chance to shine and grow as performers, as well as building their confidence. Small dance performance at the end of the session. Provider: Musical Theatre Academy of OC

Grades: 1-3

Tue. Time: 2:30-3:30 PM

Location: TBD

of Meetings: 8

SOCCER

\$128

Irvine Slammers soccer program is delivered by highly qualified professional coaches. Each session will be based around a specific, age appropriate curriculum with the aim to develop every individual player both physically and mentally. With a combination of skills, fakes, turns and techniques, every player attending the session will make progressive steps in the development of motor learning and development. Starting with the fundamentals and progressing to more elite activities, and by facilitating a fun, age appropriate environment you can be sure that every player will be challenged, and also leave the sessions feeling accomplished and with a smile on their face! Provider: Irvine Slammers FC: USA Junior Soccer

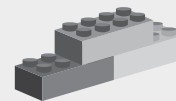

Grades: 1-3

Tue. Time: 2:30-3:30 PM

Location: Outside Field

of Meetings: 8

LEGO® ROBOTICS BATTLEBOTS

\$190

3...2...1...BATTLEBOTS! This course will take kids on a BattleBots journey of their own as they design, build, and program robots to fight it out in our arenas. This class combines engineering, programming, and inventing together as kids go head to head to be the last bot standing. No prior experience is necessary: our BrainStorm instructors walk students through the process of designing, building, and programming their bot to battle against others. We utilize LEGO Mindstorms technology for this course. Fans of the BattleBots TV show or even Big Hero 6 will love stepping into the world of robotics, and this is a great way to learn the basics and have a lot of fun!! Provider: Brainstorm Studios.

Grades: 4-6

Tue. Time: 3:00-4:00 PM

Location: TBD

of Meetings: 8

CLASSROOM MONITORS WANTED! We need your help!

Would you be willing to help monitor ACE classes 1 to 1½ hours per week? Volunteers who monitor receive discounted tuition for each day they monitor. The work is easy -take roll, make sure children are accounted for, assist where necessary, and see that all children are picked up after classes. For more information email Michelle Chen at CanyonViewACE@hotmail.com

CLASS DESCRIPTION

WEDNESDAYS: January 25, February 1, 8, 15, 22, March 1, 8 & 15

WINTER DRAWING

\$138

Ring in the New Year with a Young Rembrandts class for your elementary student. Our budding artists will have the opportunity to flex their creative muscle as they take on fun, artistic challenges like our Jack Russell Terrier and Chinese New Year lessons in the month of January. The month of February brings a lot of fun and culture into the classroom as our students' imaginations are whisked away to a masquerade or into the mind of master artist Salvador Dali. And in the month of March, get ready for some dinosaur-sized excitement as your elementary student recreates the ferocious T-Rex Young Rembrandts style! Our winter lessons are so hot; they'd make Frosty the Snowman melt. Provider: Young Rembrandts.

Grades: 1-3 Wed. Time: 1:45-2:45 PM Location: TBD # of Meetings: 8

YOUNG EINSTEINS: ROCKETRY

\$190

Introduce, excite and inspire kids to the wonders of space! Rocketry is one of our favorite courses and we love to bring interactive lessons to the classroom. Kids will learn through hands-on projects about inertia, gravity, friction, and more. What forces does a rocket have to overcome? Students will find out as they create water-powered rockets and launch them hundreds of feet in the air! Designing, building, and launching rockets is STEM at it's very best! Provider: Brainstorm Studios.

Grades: 1-3 Wed Time: 1:45-2:45 PM Location: TBD # of Meetings: 8

CHESS

\$128

Academic Chess specializes in making chess fun for children! Chess has been proven to help develop critical thinking and memory skills confidence, sportsmanship, patience and problem solving skills. Our experienced instructors use stories and exciting lessons to teach chess concepts in a way that your child will remember. The class also includes a tournament where students can win trophies and prizes. All students will receive a fun Academic Chess workbook. The class is for all chess levels. Provider: Academic Chess.

Grades: 1-6 Wed. Time: 1:45-2:45 PM Location: TBD # of Meetings: 8

MINECRAFT UNIVERSITY: JAVA MODDING

\$190

We at BrainStorm wanted a way to teach Java to kids in a way that peaked their curiosity about the many applications of programming. The perfect solution was to create a class that taught Java through Minecraft! In this high-level class, students create their own mods in Minecraft by learning Java! We'll teach them how to make their own custom weapons, blocks and even biomes. Students unlock the secrets to programming and ignite their own imaginations by discovering how to add just about anything they can dream up straight in to the digital world of Minecraft. Students will actually learn to write code in Java. Java is a powerful programming language with infinite applications. From laptops to datacenters, game consoles to scientific supercomputers, cell phones to the internet, Java is everywhere. Provider: Brainstorm Studios.

Grades: 4-6 Wed. Time: 1:45-2:45 PM Location: TBD # of Meetings: 8

CLASS DESCRIPTION

THURSDAYS: January 26, February 2, 9, 16*, 23, March 2, 9 & 16

LEGO® ENGINEERING: JEDI ACADEMY

\$190

Padawans will need to use more than the Force to be successful in BrainStorm's Jedi Academy! Our "Jedi Engineers" will design and create amazing vehicles, contraptions and creatures from the galaxy far, far away. Students will race LEGO® Pod Racers from Tatooine, create motorized Sandcrawlers to search for droids, maneuver Speeder Bikes through trees and control AT-AT's on Hoth as they help each side in the battle between the Rebels and the Empire. Engineers will explore motors, engineering, architecture and all things LEGO through the popular theme of the Star Wars universe! Provider: Brainstorm Studios.

Grades: 1-3 Thu. Time: 2:30-3:30 PM Location: TBD # of Meetings: 8
*February 16 ONLY 1:45-2:45 PM

CODE ACADEMY: APP & GAME DEVELOPMENT

\$190

Creative thinking and problem solving are essential skills that are needed for success in today's world. We use App & Game Development to teach these valuable skills, as well as inspire young imaginations. Students can write code in a user-friendly editor where they'll compose programs through its intuitive interface. The programming concepts learned in this course can transfer to traditional languages such as Java or C#. Students will make a variety of cool games and awesome apps during the course of the class! Provider: Brainstorm Studios.

Grades: 4-6 Thu. Time: 3:00-4:00 PM Location: TBD # of Meetings: 8
*February 16 ONLY 1:45-2:45 PM

SCHOLARSHIPS AVAILABLE

A limited number of 50% - 75% scholarships are available for all classes based on need. Income documentation is required for approval. Parents may apply for a scholarship by accessing the scholarship form at www.IPSFacademy.org.

Please contact Stephanie at IPSFacademy@ipsf.net, with any questions.

REGISTRATION

1. Go to www.IPSFacademy.org. Please use Chrome or Safari as your browser, older versions of Internet Explorer are not supported.
2. If you do not have a User Email/Password, you will need to create one for yourself. Click "Create An Account". If your student participated in the IPSF Summer Enrichment Academy, you will login using the same user email and password.
3. Once you have successfully created a parent profile, you will be directed to login.
4. Click on "Add a Student" to create profiles for each of your students if one does not already exist.

IMPORTANT!! For existing students, verify all student information is up to date for the new school year including grade, homeroom and transportation. Profiles do NOT update automatically.

5. Select the desired class(es) and checkout.
6. Once you checkout, you will receive an email confirming your student's class enrollment.

GENERAL INFORMATION

REGISTRATION:

Registration for this session:

Begins: 1/5/2017
Ends: 1/20/2017

Classes start: 1/24/2017

Register at www.ipsfacademy.org

Enrollment is subject to class availability. If we have space in classes after the registration period, we may accept additional students. Irvine students are eligible to attend ACE classes at any ACE school, space permitting.

HOW TO REGISTER:

1. Login at www.IPSFacademy.org. Please use Chrome or Safari as your browser; older versions of Internet Explorer are not supported.
2. If you have not created a User Email/Password account, you will need to create one for yourself. Click "Create An Account". Once you have successfully created a parent profile, you will be directed to login.
3. Click on "Add a Student" to create profiles for each of your students if one does not already exist. For existing students, verify profiles are up to date including grade, homeroom and transportation. Student information does NOT update automatically.
4. Click "Register for Classes".
5. Select the desired class(es) and check-out.
6. Once you have checked out, you will receive an email confirmation listing your student's class enrollment.

REFUNDS: Full refunds are available for classes canceled by IPSF. If your child misses classes or withdraws before the end of the session, you are still obligated for the full fees for that session. You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor. Refunds requested 72 hours prior to the first class meeting are subject to a \$25.00 non-refundable program fee. Tuition is non-refundable- after the first meeting. Please be advised that refunds may take up to one month to process. If you wish to apply for a refund, please contact your school site coordinator.

FLEX ACCOUNTS: Receipts for dependent care documentation are available on request. Please contact IPSF with parent name, child's name, address, phone number, location of ACE class attended, class names and dates attended. Email Cecilia Depew at cdepew@ipsf.net or call (949) 263-8340.

CLASS AGE LIMITS: In order to develop classes suitable for a particular age range, we specify age limits in the brochure.

CLASS CONFIRMATIONS: Class Confirmations are emailed upon successful completion of enrollment. Please add ipsfacademy@ipsf.net to your email address book.

CLASS CANCELLATIONS: We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

TRANSPORTATION: Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

ACE students must be picked up immediately after class. Arranging pick-up is the responsibility of parents. School staff, ACE instructors and ACE volunteer monitors are not responsible for your child after class. If you are late picking your student up two times, your student will be removed from the program and there are no refunds.

SNACKS: Your child is always welcome to bring a personal snack. Please do not send any snacks containing peanut or tree nut products. Please contact the school site ACE coordinator immediately if your child has severe food allergies.

CONTINUING CLASSES: Unless noted otherwise in the brochure, students in continuing classes must submit a registration form and payment for each session.

CONDUCT: Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation". If a second citation is necessary, the child will have to speak to the school principal and may be dismissed without refund.

SCHOLARSHIPS: A limited number of 50% - 75% scholarships (max award \$200) are available for all classes based on need. Income documentation is required for approval. Parents may apply for a scholarship by accessing the scholarship form at www.IPSFacademy.org/ACE. For questions, please email IPSF ACE at ipsfacademy@ipsf.net.

PROGRAM SPONSORSHIP: Irvine Public Schools Foundation (IPSF) sponsors the district-wide ACE program in cooperation with the Irvine Unified School District.

For further information about the ACE program at other schools, please call IPSF at 949-263-8340.

ATTENDANCE: If your student is absent the day of his or her ACE class, please send a message to the contact listed below before 11 AM on the day of ACE class.
