

Cypress Village 2016-17 School Year Supply List

Cypress Village Elementary School will provide all of the necessary supplies for your child to have a quality educational experience. You may, however, choose to assist the school by purchasing the following supplies for your student. Please note that the school uses Wet Ones as our Antibacterial wipes due to allergy needs of students. All students will need a backpack (no wheels in kindergarten) and a lunchbox if they are bringing lunch/snack to school. We encourage you to pack food items in tightly sealed containers to avoid ant issues. Thank you to our Cypress Village community for generously supporting our school program and assisting our students and teachers.
