## Clothes for the Cause:

- October 28, we will be collecting any old or new household fabric items (clothes, shoes, purses, stuffed animals, etc.) and we will be paid by the pound. So the more you clean our those closets, the more money our PTA earns.

## Holiday Boutique

- November 29, we will have many different unique vendors come to our school to sell their products and each vendor will donate a minimum of 10% of their sales to our PTA. This is a great opportunity to do your holiday shopping, and as a bonus it benefits your school PTA.
- We will have a food vendor there to serve dinner. 20% of the dinner sales will benefit the PTA.

## Book Fairs:

- Winter: December 11-15 and Spring: May 21-25

## Jog-A-Thon:

- February 2. This year we will be doing it inhouse (we will not be hiring APEX) So 100% will go towards the PTA. But we will need a lot of parent volunteers so please sign up to help when the time comes.
