\*California Distinguished Schools Program (1986 – 2014) - Honors some of California's most exemplary and inspiring public schools. Schools selected for the Distinguished School Award demonstrate significant gains in narrowing the achievement gap. The California Distinguished Schools Program is on hiatus while California transitions to new assessment and accountability systems. In lieu of Distinguished Schools, we will be presenting the California Gold Ribbon Schools Award to honor our schools.

\*\*California Gold Ribbon Schools Program (2015 – 2016) - A program which honors some of California's outstanding public schools. Schools that are selected demonstrate exemplary achievements in implementing state standards in priority areas.

\*\*\*National Blue Ribbon Schools Award (1999 – 2011) - A federal No Child Left Behind program that celebrates many of America's most successful schools. Its goal is to promote and support the improvement of education in America.
