In with the new!

2016-2017 – Flexible Collaborative Furniture

Each year, Lakeside’s parents, staff and students have generously donated to our annual “Sea of Donors” fundraiser. With the donations collected over the last five years, we have purchased dozens of desktop computers, laptops, multiple Chromebook carts, each of which houses 36 Chromebooks, software programs to support student learning, a full iPad cart, and wi-fi to support the classroom use of technology. Last year, we raised enough money to equip one-half of the media center with new, flexible seating arrangements which allow for a more fluid model of teaching and learning.

This year, we would like to complete the purchase of media center furniture and **replace all of the old media center furniture and computer tables, much of which has been here since 1978.** Our goal is to raise \$15,000, which will go toward completing the purchase of modern, updated furniture for the media center. **If every family donated just \$25, we would be close to meeting our goal of \$15,000!**

Since the beginning of our donation drive, we have created four “Sea of Donors” walls, and each family who donates \$100 or more will join previous donors and have their name emblazoned on a personalized ceramic sailboat.

This year, you can donate in one of two ways. You can send in a check or cash to your student’s advisor or to the front office, or you can donate by going to the following link and donating electronically, utilizing the same login information you use for IUSD’s Lunchbox program: www.myschoolbucks.com If you have not utilized this program before, you can create an account, which is simple to do. Please contact the front office if you have any difficulties.

YES! Count on us for a donation of the following to receive a sailboat on the “Sea of Donors” wall. (circle one)
