## PUBLIC NOTICE DATE CHANGE

Dear Current Resident:

The Irvine Unified School District is pleased to announce the Series 1 of the Measure E Improvements for Meadow Park Elementary School. The District will begin an extensive modernization and expansion of the Meadow Park Elementary School site, beginning in June 2018 and continuing through August of 2019.

Measure E was passed by the voters within the Irvine Unified School District, for the purpose of providing funding for improvements at several of our existing campuses.

Due to the intensity of this work, it is necessary to shut down the campus to students and place them temporarily at the El Camino Real Elementary School site, 4782 Karen Ann Lane, Irvine, CA, 92604, for the 2018-2019 school year. El Camino Real School site will be modernized and additional relocatable classrooms will be placed to accommodate all students in summer of 2018 in preparation for the 2018-2019 school year.

All interested persons are invited to attend a public meeting, which will provide information on the proposed project. IUSD representatives will be on hand to answer questions. This meeting was originally scheduled for Wednesday, September 20, 2017 and has now been changed to **Monday, October 2, 2017 at 6:00 pm**. If you are unable to attend but would like to submit comments you may do so by sending them to:
