

Irvine Unified School District

Dear Parent or Guardian:

The Irvine Unified School District will once again require **residency verification** for all IUSD students enrolling for the 2018-2019 school year. This process is an annual legal requirement in California, and it helps our district ensure that all available resources are spent efficiently and effectively to the benefit of Irvine families. Moreover, these additional steps will help provide a full and precise accounting of our student population as we review staffing for the coming year.

By completing the following forms, you will be making a formal declaration that your child lives within IUSD's attendance boundaries.

✓ [2018-19 Residency Verification and Affidavit](#) (with fillable fields)

School sites will have electronic versions of these documents available, and hard copies can be made available at the site upon request. For your added convenience, the forms are also linked above and attached to this email as PDFs, allowing you to fill them out and print them at home. Completed residency forms should be turned in to your child's school by the school's assigned deadline (as posted on the school's website) along with proof of identification for one parent and two proofs of residency. A list of acceptable documents is included on the Residency Verification Form and can also be found by [clicking here](#).

✓ If you plan to enroll a kindergartner or a new student, please visit the IUSD website at http://iusd.org/education_services/KindergartenStudentExpectations.html for necessary pre-enrollment forms.

✓ If you are considered a co-resident (you and your family are living with the owner or renter of your residence), please also note the "Co-Residency Supplemental Form." This documentation must be completed as part of the Residency Verification and Affidavit Forms by parents or guardians who share a home with another family or individual.

All residency forms are due by **March 2**.

For additional information, please contact your local school office.
