

Exploratory and Physical Education Course Preference Survey

Directions

Plaza Vista uses a paperless course preference survey; the survey is due on Saturday, May 26th. Please follow the directions below to submit your Exploratory and Physical Education preferences for first trimester:

1. Log onto Plaza Vista's website at www.iusd.org/pv
2. Once on Plaza Vista's homepage, please scroll to the middle of the page
3. Locate the section labeled "News & Information PV" (directly above the "Tweets" section)
4. The top three links are labeled "**Incoming 6th, 7th, or 8th Grade - First Trimester Exploratory and PE Preference Survey**"
5. Locate the link that is **labeled with Your Next Grade Level** and click on it. The link will take you to the preference survey for your grade level.
6. Discuss the course options with your parents and fill out the survey COMPLETELY. You must answer EVERY question in order to submit your preferences. Make sure you only mark one option as 1st, 2nd, 3rd, etc. choices in both the Exploratory and PE sections. If multiple options are marked the same preference number, you will be placed in classes with the most space available.
7. PLEASE NOTE: COURSES LISTED ARE TENTATIVELY OFFERED; unforeseen changes may occur which result in some courses being cancelled. In such instances, your course preference listed immediately after will take the place of the cancelled class (example: if your second choice preference is no longer being offered, your third choice becomes your second choice and so on.)
8. Submit your preferences by clicking the "Submit" button at the bottom of the survey.

When the survey is successfully submitted you will be routed to a confirmation page with the message "Thank you for your response. Your preferences have been recorded."

Important Information:

- Submit your class preferences no later than Saturday, May 26th.
- Please type your LEGAL first and last name (the one on your school documents). Otherwise, we have a hard time identifying whose preferences have been submitted.
- Remember to type in your current homeroom teacher's name (or 5th grade teacher).
- You are submitting your preferences for next trimester; this does not guarantee that you will receive your preferred classes. We do our best to place you in your first or second choices.
- Be mindful of the preference you submit for classes; we are often unable to accommodate schedule adjustments.
